Hi Darcy –

Here's the draft Q&A. Sorry again for the delay. I left my couple of edits in track changes so the team can those.

Thanks,  
Sarah

**Attorney/Client Communication – Deliberative Process – FOIA Exempt – Do Not Release**

Folks, I have to travel to DC next week Mon – Thursday am. While Doug may have been able to meet with us on Tuesday morning, I think it's important for me to be in the briefing – not that you all can't handle it without me, but the fact that he's asked me to meet with him and the company and I'd like to hear first-hand his thoughts. We are leaving the Thursday afternoon meeting on his calendar, but he may not be back from SD in time, unless the consultation is cancelled and he flies back in the am. We'll have to play it by ear.

**Ex. 5 AC/DP**

To be clear, I'm not asking you to identify our time frame for action, or find out and provide HQ's position on part 192, but identify how you think we should respond to the questions. You all probably have more questions based on your experience with the company and review of the comments.

Let me know if this makes sense, you have questions or have another approach that you think would be more helpful. I should be available by phone in the late afternoons if you want to chat next week.

Thanks!

D
